*Includes Minimum Base Pay of \$77,008.80 with an additional \$2.00 per hour MH Direct Care Premium Pay.*
- Salary will be commensurate with experience. Limitations apply to current State employees.

### BENEFITS

- 12 paid holidays.
- 1 personal leave day accrued each January.
- 13 sick leave days.
- 13 annual leave days accrued in the first year of employment.
- Longevity bonus annually after 5 years of employment.
- Continuous opportunities for acquiring CE's needed for maintaining professional license.
- Very low-cost health and dental insurance through the [Alabama State Employee Insurance Board](#).
- Defined retirement benefit (not impacted by economic downturns) and a pre-retirement death benefit through the [Retirement Systems of Alabama](#).
  - After 1 year, the minimum amount of the pre-retirement death benefit paid to your designated beneficiary is at least equal to your current or previous fiscal year's annual salary.

### MINIMUM QUALIFICATIONS

- Graduation with a Master's Degree or higher advanced degree in Nursing, with a clinical specialty in the appropriate area of practice. Must have successfully completed a Nurse Practitioner program recognized and approved by the Alabama Board of Nursing.

### SPECIAL REQUIREMENTS

- Possession of a current advanced practice nursing certification as a Certified Registered Nurse Practitioner (CRNP) granted by the Alabama Board of Nursing in the clinical specialty appropriate with the area of practice.

### KIND OF WORK

- Obtains a comprehensive psychiatric history and records findings upon admission.

- Completes mental status exam, psychiatric evaluation, treatment plans, suicide/violence risk screening, and progress notes.
- Orders, performs, and interprets screening and diagnostic procedures/tests in collaboration with physicians.
- Develops and implements a plan of care, including differential diagnosis and treatment options.
- Implements emergency protocols, as needed.
- Writes and transcribes orders for medications and treatments.
- Collaborates with other members of the treatment team.
- Participates in the development, utilization, and revision of practice guidelines.
- Co-manages care for patients with selected health complications in collaboration with the physician.
- Arranges referrals to other community resources and healthcare team members, as appropriate.

#### **REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES**

- Knowledge of general and specific psychiatric/medical diagnoses and treatment specific to the population served.
- Knowledge of principles and practices of clinical assessment, common health problems, mental health issues, clinical consultation, and continuity of patient care.
- Knowledge of common medications/pharmaceutical treatments and their interactions.
- Knowledge of basic laboratory work and radiological tests.
- Ability to work effectively with the population served.
- Ability to respond well to emergencies in a stressful environment and handle potentially volatile situations calmly and competently.
- Ability to develop and interpret medical and psychiatric histories, conduct psychiatric assessments, and evaluate client behavior.
- Ability to develop accurate and concise reports.
- Ability to document and manage client file information in a complete and accurate manner.

#### **METHOD OF SELECTION**

- Applicants will be rated based on an evaluation of their job-related training, abilities, experience, and education, and should provide adequate work history identifying experiences related to the duties and minimum qualifications as mentioned above.
- All relevant information is subject to verification.
- **Drug screening and security clearances will be conducted on prospective applicants being given serious consideration for employment whose job requires direct contact with patients.**
